

WG Social Protection in Health

Elies van Belle (Memisa) & Paul Bossyns (Enabel)

Social Protection in Health

Old WG that restarted in 2022.

Objective:

To bring together the ideas of different Belgian actors under this thematic, trying to harmonise strategies.

Study what is happening in the world and in Africa in particular in this important field of public health.

WG Social Protection in Health

2023 - 2024: Activities and achievements

Second half of 2023: several exchange meetings in which different actors presented their activities and vision in the matter

First semester 2024: In the frame of the Belgian EU presidency, 2 workshops on Social Protection in Health were successfully organised

Second semester 2024: Programming 2 meetings to prepare for 2025:

- Presentation bilateral programme in Senegal and collaboration with Solsoc
- Presentation / feedback of WSM workshop (presented by B Criel and J. Michielsen)
